

CHRYSALIS BACKGROUND CHECK

In order to better protect our young people, starting in 2009 a fingerprint based background check will be required for all adults who are involved with Chrysalis. This includes everyone, even if you are just stopping by to help in the kitchen, etc.

Because David Blade is taking fingerprints and submitting them to the Department of Justice, the cost is the same (\$10). The \$10 will be waived upon request.

David will be available with his fingerprint kit at all Gatherings. He is also willing to accommodate those who can not make the Gatherings. Please contact him at 442-5019, or send an email to Tom Woodgerd tjwood999atYahoo.com (replace the “at” with @) if you are not able to attend the Gatherings.

The background check must be completed one week before Chrysalis starts.

Thank you for your patience!
